LADIES GUILD AND HOLY NAME SOCIETY
MEMBERSHIP DRIVE

Since St. Aloysius Church celebrated its fiftieth anniversary this past year, we felt that it was time to join forces and combine the membership drive for these two organizations – **the St. Aloysius Ladies Guild and the Holy Name Society**. Both of these organizations have been in existence for most of those fifty years.

Membership in both organizations has fallen in the past few years and they need your support to keep them going. Each organization only asks for a \$5.00 yearly membership fee. This money not only goes to their scholarship funds but is used in many ways throughout the parish. Both organizations are very active in the church and volunteer to help with various events taking place in the parish.

The Holy Name Society and Ladies Guild reach out to our community as well. **Ladies Guild** is involved with Southington Social Services and the **Holy Name Society** has been active with Carolyn's Place, a Pregnancy Resource Center.

There are many ways in which all of us can be of help to our parish. To accomplish this, we need you to join us. We ALWAYS appreciate new members with new ideas.

Our meetings are once a month and are listed on the front of the bulletin. We ask that all men and women of the parish consider joining one of these two organizations for 2012. **If you are unable to attend the meetings, we ask that you give us your financial support.** What a great way to start our next fifty years!

Thank you for your kind consideration.
